 - Made the **Distinguished Dean's List** for Fall and Spring 2023 at University of Houston
-

Experience:SEP Admin Aide (Fall 2023 to Fall 2025) - University of Houston - Houston, TX

Description: Operated the front desk of the scholar enrichment program when the directors were unavailable

- Required use of social skills to direct those enrolled in the scholar enrichment program for a multitude of reasons and answer questions in place of the directors of SEP.
- Showed organizational skills by organizing and sending SEP-related documents, such as taking attendance of SEP workshop areas.

Cashier (Summer 2025) - Chipotle Mexican Grill - Woodlands, TX

Description: Operated the cashier of the Chipotle from 3:00 am to 12:00 pm in a busy commercial zone (Market Street), while also handling all the cleaning duties of the lobby

- Use of social skills to talk to customers and complete their order to their satisfaction
 - Time management was a necessary skill, as you had only one hour to clean the lobby and any machines within the lobby
 - Observation skills, as I was told to clean any immediate messes that could be seen by customers, and help anyone who required assistance
-

Skills:

- Adapts to new situations and environments well
- Highly task-oriented and goal-driven
- Can quickly pick up on or learn new information
- Excellent mathematical competency
- Basic knowledge in coding for Python and C++
